Dear Earl,

3/6/31

The curbstone provides pix and your paper has the best befores of the before and after kind. I have the after I used in Post Mortem. The before is the one Dillard let me have.

His recollection was absolutely correct. After he told me about speaking to Bare-foot Sanders I obtained the letters Sanders had from Joe Should write. If she is still around she may or may not know anything.

Barrett was reassigned to Birmingham many years ago. I don't know if Ivan Lee is still in Dallas or, if retired, willing to talk at all. He knows that Shaneyfelt did not want pix in FBHQ files. Of the overpass area.

A little thing on the curbstone you may want to remember, from my earlier affidavits. Jim Tague told me that a funny thing happened after he took movies of the nick to show his folks. He was going home on a trip. He took those pix in May 1963 and then could not find the hick. Later, he was not sure of when, they were stolen. It, 8mm movie. At first he attributed this to kids because nothing else was stolen. Well, I rechecked his testimony and there is the wildest thing: Idebeler showed him prints and asked them if they were not from his movie. Only there is no apparent way for Idebeler to know that Jim had taken movies or that the FBI had gotten it to make prints of some frames. Anyway, Idebeler has the wrong film, but Jim has no idea how anybody could have known that he took those pictures.

I don't know whenlesar will be able to file the affidavit and then mail you the copy. My wife has just started making the one xerox we'll keep here. Jim will make the other copies in DC because he can have it done commercially for much less than our cost. It will take him longer than usual to prepare whatever he'll prepare. I don't think he'll want to mail anything until it is filed. But I've spoken to him and I'll remind him and he will send it to you. After you make a copy it is to go to

Dr. David Wrone
1518 Blackberry Lane
Stevens Point, Wisc. 54481 It will get to him in better shape this time of the year at his home because ~~xxxxxxx~~ school is not in session.

Yes, he is the co-author of the bibliography.

If you have any other questions, please ask.

best wishes,
